

Children's Research Institute at UT Southwestern FlowJo Site License Registration Form

To obtain a license under the CRI FlowJo Site License Program, you need to have a [CRI PPMS account](#), fill out this form and email it to nicolas.loof@utsouthwestern.edu. The license is good for one computer and will be automatically renew each year. If you want FlowJo on more than one computer, you need to fill out separate forms for each (and you will be billed for each).

Please see information below on how to fill out the Account Number and HWA fields.

*Name (First, Last): _____

*Email: _____

*Lab PI: _____

*Office (Building and room number): _____

*Account number (for Billing): _____

*Computer HWA: _____

Account Number: This is used for billing the cost of the license. You should be able to obtain this from your lab administrator. If you do not have access to one of these codes, then you are not eligible for the site license.

The cost per computer for FY2018 is \$100/quarter

Computer HWA: This is the hardware address of the Ethernet chip used to access the Internet, it is NOT you IP address. A computer may have multiple hardware addresses depending on what equipment is installed. FlowJo uses the Ethernet MAC address. (MAC here stands for Media Access Control, not Macintosh.) This is not the Wi-Fi or Airport Hardware Address. The easiest way to find out what address FlowJo is looking for on your computer is to download the latest version of FlowJo from www.flowjo.com and open it. An unlicensed FlowJo will open a dialog box that shows the needed Hardware Address near the lower left.

*Principal Investigator Signature: _____

* *required information*
